THE VENUE

Tehran Airshow Center's capacities will make it possible to demonstrate all achievements of Russian industrial companies in one place. One of the key displays of the fair will be **Sukhoi SuperJet 100 and Sukhoi SuperJet 100 Business Jet** which will bring to Iran the Russian delegation led by the Minister of industry and trade Denis Manturov.

Tehran Airshow Center is located near centers of machine and automobile building, 74 design and engineering bureaus, 3 technical universities and 9 satellite cities with the enterprises of the military-industrial complex. This will attract maximum number of visitors and increase interest to the exhibition. In addition, **Tehran Airshow Center** has excellent transport accessibility for all categories of visitors – underground, railways and 3 motorways.
